2. Issues and Impacts:

1. Problems:
   - Group performance is reduced due to excessive workload.
   - Disagreement on the design and topics due to miscommunication.
2. Temporary Solutions:
   - Need to find a more effective way to work and manage the time schedule.
   - Debates should be reached to a final conclusion, and should be avoided for the debate to escalate and affect the private relationship between members.

3. Next week's goals:

4. Summary, Performance, and Keeping track:

- Averagely, each member needs about 10 - 15 hours for a topic-learning task because the knowledge has started to become harder.
- Sprint process is properly on track, and there are no serious problems so far.
